### Behaviour

The After School Club lead will follow the school's behaviour policy. Children will be expected to show respect and care for each other and to follow our school values of being caring, considerate and courageous. Should a child's behaviour not meet these expectations, parents will be contacted and the child may need to be picked up early. If there is continued poor behaviour, the child may be prevented from attending in the future.

### First Aid

The school's First Aid policy applies at all times. If a child becomes unwell during the session, the parents will be contacted immediately. School will contact the After School Lead should they become ill during the day and sent home.

### Departure

- Parents should sign their child out at the end of the session
- Parents need to inform the After School Club if another person is collecting their child. Staff reserve the right to refuse to hand over a child if staff or the child are unsure of the person collecting. This person should be named on the registration form
- Parents should inform the school or club if their child is unable to attend a session they are booked in for. Provided 24 hours notice is given, no charge will be made for this cancellation. Should a session be cancelled with less than 24 hours notice the full sessions fee will remain payable.
