So what can we do to improve?

- Analyse which subjects children enjoy or do not enjoy and look at ways to improve this further
- Look at which behaviour the children don't like seeing in their classroom and around school—how can they help to improve it?
- Encourage children to take up opportunities outside of school where possible

These are really great results from our surveys and above National figures in most areas. We are always working hard to improve things and with your help, we will continue to do so. Thank you everyone!
