

English

The children will practice their sentences and learning all about wishing tales and what they consist of and how we can make our own.

RSE

The children will learn how to cope with the way they are feeling- to recognise, name and deal with their feelings in a positive way; They will learn to recognise what they like and dislike, what is fair and unfair, and what is right and wrong; to recognise, name and deal with their feelings in a positive ;

Our Wonderful World

PE—This term children will be showing they can share ideas and trust in their partners. We will also be practicing our dance moves.

Geography—We will be looking into York's key landmarks and revisiting our navigational skills.

Maths

This term we will learn all about place value and numbers to 100. The children will learn to use a place value chart, the part whole model and use these to compare and order numbers. We will also be learning about time and how to tell it throughout the term.

Only One You!

Beautiful Creations

Art: Children will be looking into the wonderful work of Klee and showing how well they can control a pencil to draw.

RE

What do Christians believe God is like?
The children will identify what a parable is.
Tell the story of the Lost Son from the Bible simply, and recognise a link with the concept of God as a forgiving Father.
Give clear, simple accounts of what the story means to Christians.

Enrichment Opportunities

The class will have the chance to visit a York landmark and explore different ways they can be caring, considerate and courageous in their lives.

Time, Testing and Technology

Science: The children will learn all about materials and will use their knowledge to decide what the best material for a coat is and why.

How we show our values...

Caring about ourselves, our bodies, our minds and our health
Considerate when making decisions which impact on the life of the school
Courageous when standing up for what is right.
