Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Mrs Coles

We have had lots of new starters over the last couple of weeks so welcome to all our new families - it is lovely to have you in our community! We are so proud of the diversity in out school and the children have noticed some of the new flags that are hanging in the hall - they are getting to know the flags of a lot of countries!

Please take note of the messages and letters that we are sending out regarding parking. We are aware that this is causing concern amongst our neighbours and some may be taking matters into their own hands. Please try to avoid any confrontations as they never solve the problem but also please ensure that you park considerately and imagine what it would be like if you lived on a street where parking was causing safety concerns for you and your family. We try and encourage the children in school to see things from the other person's point of view and it would be great if this was modelled by the adults as well. We will try and have members of staff out there as often as we can so don't be offended if we also ask you to move your car!

Have a lovely, happy, parking free weekend!

Mrs Coles

Year 3 and Year 4 Visit to York Food Festival

The Year and Year 4 children had a fantastic time at the York Food festival this week. They took part in workshops making, pizza, pasta, bread and chocolate lollies.

It was a great experience and these wider opportunities are so valuable for the children.

The York Food Festival is in town until 2nd October with lots of great food stalls, so why not check it out!

Parking Outside School

Please can we ask Parents and Carers **NOT** to park on the Zig Zag lines outside the main school gates or near the car park exit.

We have had numerous complaints about the parking outside school.

This is for the safety of the children, parents and cyclists.

Many Thanks
