

## English

As always, English will be linked to our topic. The genres will be a description of a setting on a moon base; a story about a journey into space and the state of the planet after 50 years and a recount based upon the historic rocket launches and moon landings.

Spelling and grammar will be closely linked to the genres studied.

## RHE

### **Mental Health and Wellbeing**

Bullying and long term problems

Techniques to use when we are feeling overwhelmed.

## Our Wonderful World

**PE:** This term children will continue their work in gymnastics linking shapes and travels to create sequences. In dance, children will learn and apply the concepts of unison and canon. Children will explore travel and gesture when responding to a stimulus.

**French:** We are lucky enough to have a language teacher from AHS teaching French again this term.

**Geography:** Children will learn about 6 figure grid references.

Term 2 2022

## **Out of this World**

## Maths

At first, children will apply their skills in addition and subtraction to solving multi-step problems.

Following that, our focus will be **multiplication** and **division** including prime, square and cube numbers; multiplying by 10, 100 and 1,000; multiples, factors and common factors.

Before Christmas, we will tackle **fractions** including improper fractions and mixed numbers.

We consolidate our prior learning through the daily UFO.

## Beautiful Creations

**Art:** Children will learn the rules of composition in photography. They will manipulate images for the purpose of designing a calendar to take home.

**Music:** Drumming. Children will continue to work with Mr Hickling as they learn to layer rhythms from varying styles of music. They will use this to help them improvise.

## Enrichment Opportunities

Samba drumming workshop with the Music Education Group.

Young Voices club will continue for Years 4, 5 and 6, and Total Sports will continue their after school club.

## RE

Our Big Question this term will be:

***Was Jesus  
the Messiah?***

## How we show our values...

The worship and reflection theme of **Generosity** for this half term reinforces the school values and rules of

**'Caring, Considerate and Courageous'.**

**Caring** - We will be caring at all times to our friends in school, discussing different ways to notice a need in our peers.

**Considerate** - We will be considerate of our friends' feelings and emotions, particularly at break and lunch times.

**Courageous** - We will speak up if we see something that isn't right.

## Time, Testing and Technology

**Science:** the topic is **Space**. Children will learn about the shape, size and motion of the Earth, Sun and Moon.

**Computing:** the topic is **Programming**. Children will be programming a space story with 3 backdrops and beginning, middle, end. They will use if/then in their code.

**Ongoing:** typing skills and manipulate digital content.
