Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Mrs Coles

Good afternoon!

It is certainly getting colder at the moment and definitely wetter. Please remember to send your child in with an appropriate coat so that they can keep as warm and dry as possible. As we have said previously, we try and get them outside even if it is a raining a little as we know they need the fresh air and to be able to run around.

We have been working really hard on our Learning Journeys this term and trying to remember what we have been learning in our different subjects. Please look at our website or see the notice board in the playground to see what your child is learning about. You can even ask them what they know themselves and see what they say!

Have a lovely weekend and if you are watching the World Cup hopefully we will get a win tonight!

Mrs Coles

The Nest - Nursery and Reception

Everything leads to a learning opportunity……..The rain caused puddles in our play area so, we have been making bridges across the water so we don't get wet.

Year 4 Science

In science this week the Year 4's have been learning about food chains!

They focused first on what a consumer and a producer was, and started constructing their food chains.

Online Safety Information Sessions for Parents

At St Lawrence's Primary School we are always striving to keep our children safe inside and outside school. In school, e-safety is covered as part of our curriculum.

In order to help at home we would like to offer an information session from the NSPCC.

We would be grateful if you could please complete this short questionnaire so that we can arrange the session content and times to suit you.

The questionnaire can be found by clicking this link: https: //forms.gle/ jYY6wU731moCT2om6

Please don't hesitate to contact us should you have any questions.

Not going to school every day can make your child more worried about going in.
