

## Home School Agreement

	<b>The school will...</b>	<b>As a pupil I will...</b>	<b>As parents and carers we will...</b>
<b>Our Aims</b>	Provide a safe and secure place to learn, where every child is treated as an individual and reaches their full potential through excellent teaching and high expectations. We will respect the rights, values and beliefs of all people through our Christian ethos.	I will try and make sure that I follow the school rules of being Caring, Considerate and Courageous so that everyone is treated with respect and dignity and our school feels welcoming. I will try my best with my work and try and involve myself with the daily life of the school as much as I can.	Support the school's visions and values and talk to my child about their school day. We will encourage them to participate fully in school life.
<b>Our Work</b>	Deliver an exciting curriculum where children have fun and everyone loves learning. We will follow the school protocols for learning and makes sure that they know and remember more.	Complete all my work and homework to the best of my ability and let others get on with their work. I will keep trying even when it might get hard.	Support my child in their work and encourage them to try their best and complete any work that they might bring home. If we are concerned about our child's work we will come and chat to the teacher.
<b>School Links</b>	Provide opportunities to meet teachers formally and informally through parent evenings and other events throughout the year. We will also keep you up to date with information and school news and provide an annual written report about your child.	I will share information with my parent and carer and invite my parents and carers into school when there is a special event. I will work together with teachers, parents and carers.	Work in partnership with the school and do our best to attend parent meetings and shared special events. We will read the information that the school provides. If there is anything that the school needs to know, we will inform them of it as soon as possible.
<b>Our Behaviour</b>	We will follow our behaviour policy by promoting and rewarding good behaviour and tackling inappropriate behaviour when necessary. We will set good examples as role models and treat people the way we would want to be treated.	Treat others with respect and dignity and follow the school rules of being Caring, Considerate and Courageous. I will accept that there will be consequences for inappropriate behaviour and will try and put things right when things go wrong.	Support the Behaviour Policy and Parent protocol and always set good examples of behaviour when on school premises. We will encourage our children to follow the Behaviour Policy and support the teachers with decisions that they make.
<b>Our Attendance and Punctuality</b>	Check attendance regularly and contact parents with any concerns. We will follow up with parents where the absences become persistent and look for ways to support the children coming to school regularly.	Be in school on time, every day (except if I am poorly!)	Ensure that my child attends school regularly and on time. We will let the school know as soon as we can if our child is unwell. We will try to ensure that our child is ready for school by supplying the correct equipment and uniform.
