Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Mrs Coles

It feels like the children have walked miles this week! The Year 5 and 6 were in town one minute and then at Archbishops to watch their production of Fame - which the children all agreed was amazing! The Year 3s have also been there as well for Tag Rugby, which always goes down well with the children.

We also had our Evacuation Drill this week which went really well. The teachers were very proud of the behaviour of the children and how sensible they were. We would like to thank York University for allowing us to use their venue as an Evacuation site and for all their help on the day as well as it made the drill go very smoothly. Hopefully, we will not have to do this in reality but it is always good to practise.

We would also like to thank parents and carers for their positive comments during parents' meetings. I had many teachers smiling after a meeting because a parent had said thank you or had praised the school. We are all very proud to be part of St Lawrence's and think we have an amazing school so it really made our day to hear this.

Mrs Coles

Year 4 - Otters

This week the Year 4 have been researching all about one of the worst floods York has seen. They gathered lots of facts and now we are working on putting them into scripts so that each group can present their own news report. BBC Newsround has been their main inspiration!

They are also been honing their communication and teamwork skills in PE this half term and developing strategies to be the best they can be.

This week they have been working together to try and land the ball on someone while they were being defended!

The Nest - Reception and Nursery

Our Early Years children have had a busy week…… They had a great PE lesson learning how to throw into a target. They used lots of different equipment to throw.

Also, it finally happened! Their four Caterpillars are now all safely inside their cocoons now. The children are excitedly waiting for them to change into Butterflies!
