Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Mrs Coles

It has certainly been a weird week! I have no idea whether I am coming or going and I'm sure there are a few people similar to this!

Although most of the school was not in yesterday, the teachers and the Year 6s were. The Year 6s were amazing and we are so proud of them. We say this often but their attitude and commitment to their learning is fantastic and Mrs Borlase has been praising them constantly. It is their SATs next week and we know that they will be amazing throughout it as well. Well done Year 6s.

The teachers were busy too, yesterday. We have looked at our Live, Life, Love curriculum which incorporates Relationships, Health, Economic, Cultural and other aspects that help with children's personal development. We have improved certain areas and will place on a website in a few weeks for you to have a look at. Have a lovely long weekend again!

Mrs Coles

Early Years Visit to St Lawrence's Church

Owls and Owlets had a great visit to our local church, St Lawrence's Parish Church.

The children met Father Adam and he told them all about the different parts of the church.

The even got to have a try on the organ!

Year 4 - Otters

There has been some FANTASTIC teamwork going on in Year 4 this week.

They have had an excellent time exploring Lego's WeDo programme.
