Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Mrs Coles

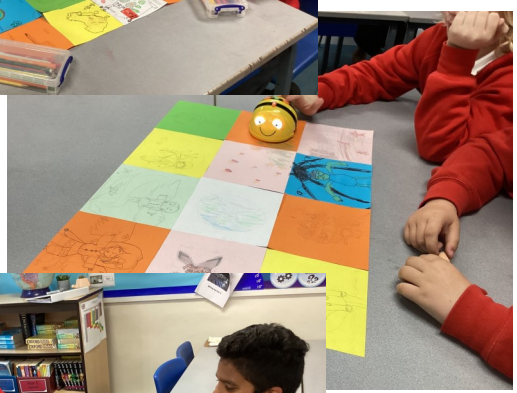
Firstly, we would like to say a massive WELL DONE! to all our Year 6s who have been incredible this week. SATs are never easy but our children have really out done themselves with their resilience, commitment and good nature whilst tackling some very challenging questions - particularly the reading test. (We all hated that one!) They have worked hard all year and we could not be prouder of them - whether they meet the expected standard or not!

Again, we are putting out a plea for someone to help out over lunch times. We are really in need of someone to help in our dinner hall at lunch times so if you are interested, please let the office know. You'd be joining an incredibly team.

It's a full week next week - which will seem strange after the last few weeks - but we are raring to go and getting ready for all our summer work to get started. Have a lovely weekend. Mrs Coles

Year 5 - Squirrels

Plenty of fun and collaboration in Year 5 this week for Computing as they designed mats and created challenges in groups.



Year 4 - Otters

The Year 4's have had a super lesson in sound investigating in Science this week!

YoYo Creative Spaces Project

We are delighted to let you know about a new Creative Spaces Project YoYo (York Schools and Youth Trust) are excited to bring into St Lawrence's School this week.

Delving into the life of David in the Bible the children will discover how this age old story of courage, heart and faith can still encourage us today.

We would love to welcome parents, children visitors on **Tuesday 16th May after school from 3.15pm** to take a look at the spaces in the school hall and enjoy the activities for yourselves - we hope to see you there!

Driving and Parking Outside School

Please can we ask Parents and Carers to drive safely outside school and to NOT to park on the Zig Zag lines outside the main school gates or near the car park exit.

We have had numerous complaints about the parking and driving outside school.

This is for the safety of the children, parents and cyclists.

Many Thanks
