Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Mrs Coles

I know we have said it before, but the year is racing away and we are at half term again! It has been a really good term with lots of learning happening across school. Some of the children are really showing they are ready for the next stage of their learning which is great to see.

We have been expecting OFSTED all term as we really want to show off all the great things we have been doing as a school and all the great work that the children have been doing but so far, there's been no sign! Hopefully, we will get a visit next half term - although preferably when the weather is not as hot as last year.

It has been really lovely this week and it is looking good for next week as well. Have a lovely week and we look forward to seeing you all in a week's time.

Mrs Coles

Globally Speaking

Next half term's language is Albanian.

Ask your child/ren to teach you some new words.

Last term we learnt Chinese and loved it!

The Nest - Nursery and Reception

Mr Mosley was in school this week teaching the Nursery and Reception children all about the fruit and vegetable growing in the school allotment. The children thought the rhubarb was delicious!

Also thank you to all the parents and carers who came to The Nest this week to learn how the children write. The children had the best morning !

Sunny Weather and Water Bottles

Now we have some hotter sunny weather please can we remind you to apply sunscreen to your child before they come to school.

Also a reminder that children should only have water in their water bottles when in school and **no** juice or fizzy drinks. Please can we ask that water bottles are clearly named as well.

Many Thanks

No Photography

Please can we remind parents that no photographs should be taken on the school grounds.

Many Thanks

Year 6 - Primary Detective Day

This week, the year 6 children have been on their travels again, this time to the Primary Detective Day at York University.

The theme of the day was to come with a curious mind to explore and understand what opportunities university has to offer and benefits it has for their future careers.

The children thought whether university might be a possibility for them in the future, learned what life was like for a student, enjoyed a campus tour, were treated to a yummy lunch and had a whistle stop tour of what it would be like to study law. They all graduated at the end of a very busy day!
