

Beautiful Creations

Group Newsletter Autumn Term 2023

Beautiful Creations consists of the subjects of Art, Music and PE. During this term we have been busy working on our drawing skills in art, performing skills in music and gymnastic skills in PE. A highlight was the Year 5 and 6 Violin concert at The National Centre for Early Music, a truly wonderful event.

Owls learnt how to ride balance bikes safely and with control

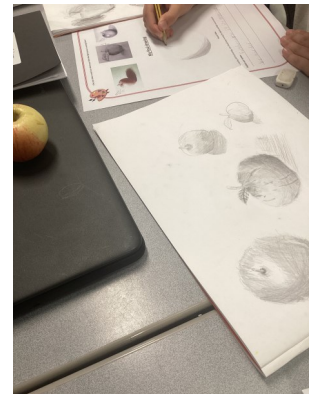

Badger class developed their balancing skills in PE

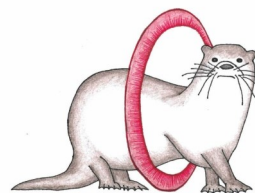

Next term the children can look forward to learning the recorder, developing their painting skills through colour mixing, tone and shades as well as participating in gymnastics and games.

Hedgehogs have been learning how to shade and then using their skills to draw apples.

Squirrels have developed their sewing skills to make baubles. They learnt how to attach bells by sewing them on.

Otters have been learning to swim using different strokes as well as how to be safe in the pool.

Foxes performed a violin concert, showing off their plucking and bow skills to their families.

Important things to remember;

To sign you child up to any after school clubs to give them a taste of new and exciting skills.
