Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Miss Hammond

What a mix of weather we have had this week! That hasn't stopped our lovely children from exhibiting our school values through their work and play. We had a **practice** fire evacuation this week and the children demonstrated wonderfully how this can be done in such a calm and patient manner. Well done to them.

We have been speaking to the children this week about the way they come in to school ready for their PE sessions and getting their feedback on what is going well and what can be improved. We will share their feedback with you soon so please watch out for that.

It has been great to see our after school clubs up and running again this week. The Art club is always fully subscribed (thanks to Mrs Hare) and it has been the KS1 children's turn to take part this half term. They have thoroughly enjoyed the session and their comments to me have been that they can't wait for the next one!

Happy Friday everyone!

Miss Hammond

DT in Year 5

The Year 5 children have been using their DT skills to make wooden frames as a structure for a Viking house. Miss G has seen the children work safely, help each other, show perseverance, problem solving, calmness and success. She is very proud of them all.

Anti-Social Behaviour Workshop

This week we welcomed Laura, our local PCSO School's Officer to lead an assembly for the Year 5 and 6 children about Anti-Social Behaviour.

The children learnt about what ASB meant, different types of ASB, why ASB was a problem and what they could do about it and the consequences on ASB to make sure they were Being Safe and Being Sensible when out and about!

Tempest Photographs

We will be sending out the links today by email for Parents and Carers to order their child's Class Photographs. To get free delivery to school orders need to be placed by **Friday 3rd May.** If anyone needs any help please contact the School Office. Many Thanks
