Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Miss Hammond

There has been some wonderful hands-on learning in school this week. Squirrels and Badger Class have carried out some Science investigations. Year 5 have been separating a mixture and Badgers have been investigating materials to find out which would be both waterproof and strong enough to fix an umbrella. Badger Class have also had a practical DT session creating strong structures to withstand being blown down by the wolf (linking to their learning about the Three Little Pigs). Finally, our Hedgehogs have been creating monsters from Greek Mythology that has a pneumatic movement. Their designs are looking fabulous, well done Hedgehogs! Phew, what a busy week!

On Wednesday, we were visited by leaders from a variety of schools across York to look at how we promote inclusivity a sense of belonging across our school. Our children did not disappoint, they were so wonderfully behaved and showed our visitors what makes our school special and a great place to learn and work in. The children demonstrated excellent manners and were very welcoming to the visitors as they moved around school and asked them questions. Well done to our lovely children, we are so very proud of them. Happy weekend everyone. **Miss Hammond**

Amazing Tillie!

Tillie has been training in martial arts since she was 4 years old.

In December Tillie completed the black belt test which was very intense. Starting the week doing a hour and half fitness test at 6am in the morning before school, it was very tough but Tillie smashed it.

The actual black belt test was a 4 hour long test full of intense exercising and sparring which Tillie did the full 4 hours, doing amazingly.

Tillie was awarded a distinction for her black belt and Tillie and her family went to a ceremony to collect the award last weekend.

A BIG well done to Tillie, there is no stopping you!

Satellite-be bright!
Pop Up Shop

On Monday 3rd February, students from Applefields Satellite at Manor CE School will be coming into school to deliver a presentation to the Year 3/4 class about 'Be Bright, Be Seen'.

They will also be bringing a pop up shop with them, which will be located in the hall during break time on **Monday 3rd February.**

If your child would like to purchase anything from the shop, please send them with some money. Please see the photo above of the items available to buy.

Hedgehogs - 82.9%

Squirrels - 99.1%

Foxes - 97.8%

Whole School - 90.9%

Early Years

Early Years enjoyed celebrating Chinese New Year on Wednesday.

We dressed up, tried using chopsticks, wrote Chinese letters and tasted some noodles.

We had so much fun finding out how Chinese New Year is celebrated.

Year 5 Science

Year 5 had a fun science lesson this week when they used their knowledge of materials to separate a mixture of popcorn, sand and salt.
