Caring, Considerate, Courageous

As I have loved you, so you must love one another. (John 13:34-35)

A Message from Miss Hammond

What a wonderful week of weather we have had! As a result, in school we have been quite warm but this has not stopped the wonderful learning that the children have done this week. We welcomed the Music Education Group (MEG) into Badger Class on Monday afternoon where they took part in body percussion activities. They had a great time! Year 5 have been busy working on their Viking houses and it has been wonderful to see how these have been developing over the week and skills they have used in order to make them. Squirrels proudly showed them off in Worship on Wednesday and told the school a bit about how they made them. Hedgehogs took part in their first school swimming lesson at ABHS. They walked there and back and set the record for the quickest year we have had in getting changed at the start and end of their lesson. We received such positive feedback from the swimming instructor and the children were very courageous and diligent in the pool. Well done Hedgehogs! Owls
On Thursday, we had a practise fire drill for the whole school. The children and staff are well trained in the evacuation procedures and did this so very well and in a timely manner.

I hope you all have a lovely bank holiday weekend and we will see you Tuesday 6th May.

Year 5 Design and Technology

Viking Houses

Year 1/2 Badgers Art

In Art, the children in Year 1/2 have been having lots of fun exploring 3D paper techniques, like folding, curling, and tabs!

They will soon be using these skills to create our own paper flowers, inspired by the beautiful work of artist Fideli Sundqvist.

This creative project links to our Science learning, where they have been finding out about the different parts of a flower.'

EYFS Duck Eggs

We are still on duck egg watch in Early Years to see if there is any sign of them hatching. The children have been truing the warm eggs everyday. Hopefully we will have some ducklings very soon!

Class Photos

On Tuesday we welcome The School Photography Company into school to take the class photos.

Each child has received postcard (like the one below) with a QR code to scan to view and buy any photos.
Please order by Friday 9th May for free delivery to school.

f you have any problems with ordering, please don't hesitate to come to the School Office.

Many Thanks
